

Study Abroad at SeoulTech!

Seoul National University of Science and Technology

- 1. SeoulTech**
- 2. Undergraduate**
- 3. Facilities**
- 4. International Exchanges**

1. Overview

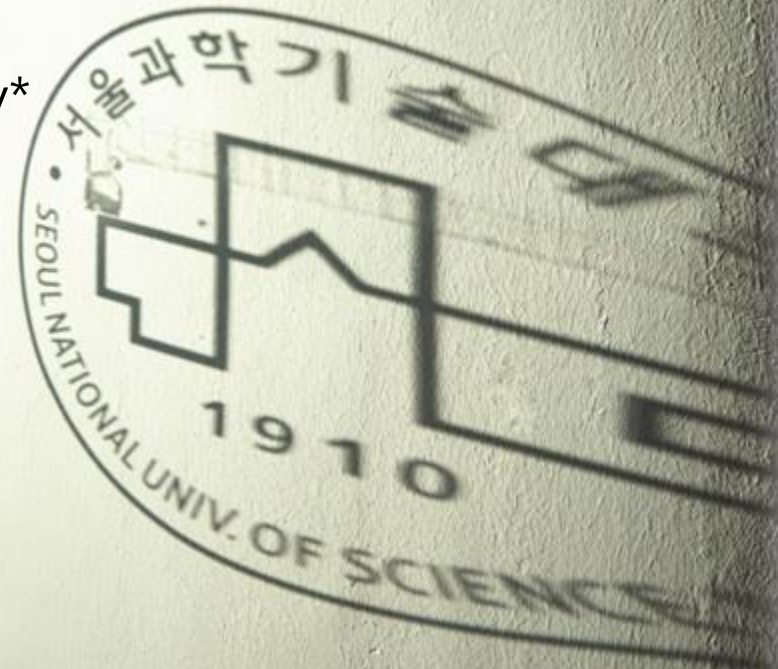

Key Features

- National University in Seoul with more than 100 years of history
- On-campus TECHNOPARK with more than 60 companies
- Low Tuition Fee that comes with Quality Education
- Scholarships for 53% of Students
- Spacious and Green Campus (510,000m²/124 acres)
- Dormitory with Modern Facilities and Amenities

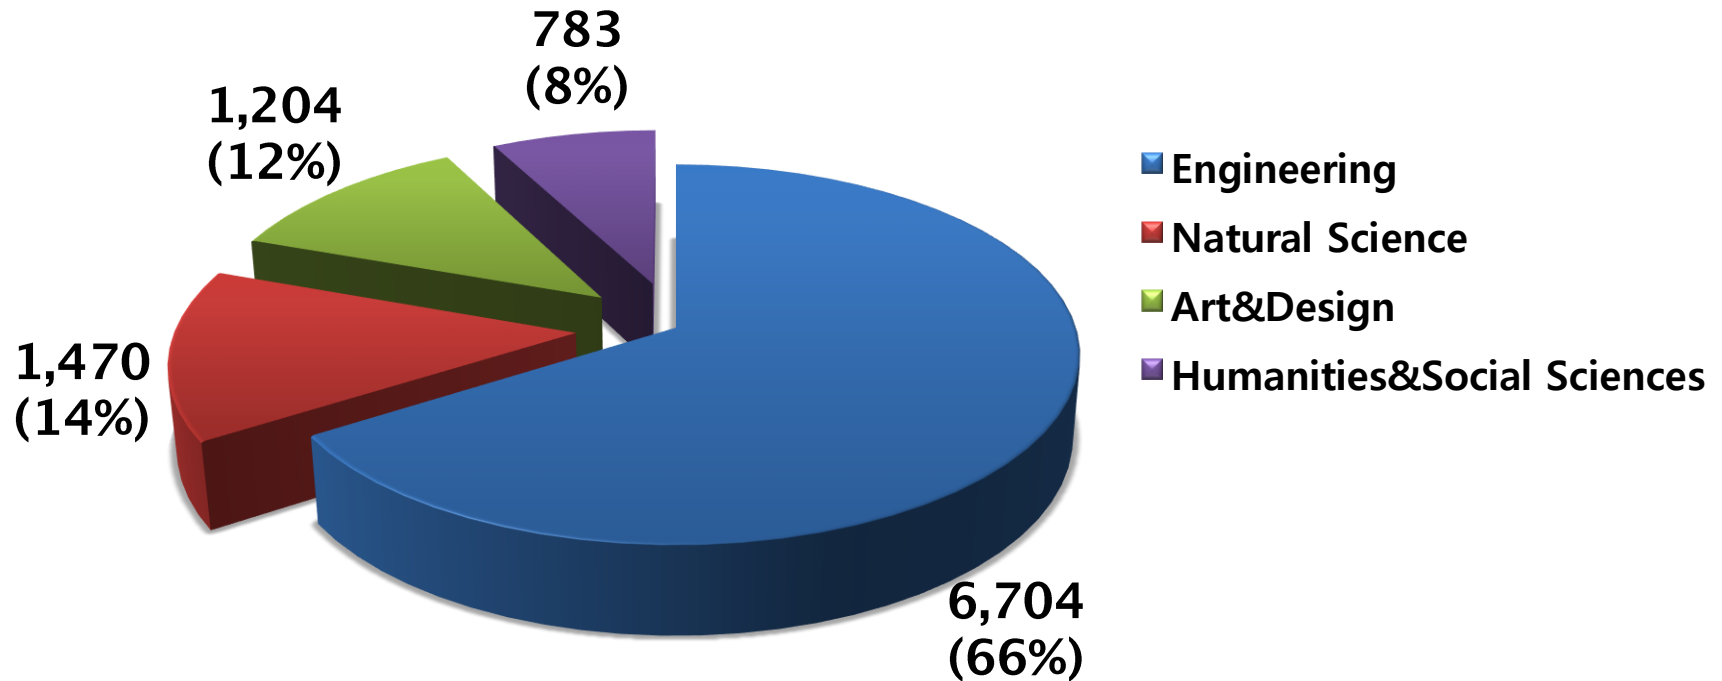

Ranking

- Ranked 1st in Employment Rate for 4 Consecutive Years*
- Ranked 6th in Research Papers per Faculty*
- Ranked 12th in Reputation*
- One of the most Popular Universities for Prospective Students

Number of Student & Faculty

- Students(Undergraduate): 10,161
- Students(Graduate School): 1,342
- Faculty: 424
- Staff: 327

2. Undergraduate

Courses Offered in English

MSDE, ITM, & GTM: 100% English courses

- Manufacturing Systems and Design Engineering (**MSDE**)
- IT Management (**ITM**)
 - **Dual Degree** with Northumbria University in UK
- Global Technology Management (**GTM**)
 - **Dual Degree** with Montclair State University in USA

**Other Departments: 15% of Courses are offered
in English**

College

Engineering

Department

1. Mechanical System Design Engineering
2. Mechanical & Automotive Engineering
3. Safety Engineering
4. Materials Science & Engineering
5. Civil Engineering
6. Architectural Engineering
7. Architecture

College

**Information
and
Communication
Engineering**

Department

1. Electrical and Information Engineering
2. Electronic and IT Media Engineering
3. Computer Science and Engineering

College

**Energy
and
Biotechnology**

Department

1. Chemical & Biomolecular Engineering
2. Environment Engineering
3. Food Science and Technology
4. Fine Chemistry
5. Sports Science
6. Optometry

College

Department

Arts and Design

1. Design
2. Ceramic Art & Design
3. Metal Art & Design
4. Fine Arts

Humanities and Social Sciences

1. Public Administration
2. English
3. Creative Writing

College

Business and Technology

Department

1. Department of Industrial and Systems Engineering
 - (1) Industrial & Information Systems Engineering
 - (2) **Manufacturing Systems and Design Engineering(MSDE)***
 - (3) **IT Management(ITM)***

2. Department of Business Administration
 - (1) **Global Technology Management(GTM)***
 - (2) Business Administration

*100% of courses are offered in English

3. Facilities

Library

- 519,000 books
- Multimedia room
- Group study room
- Laptop reading room
- Reading room

Dormitory

- 3 buildings of modern-style dormitories
- Rooms for 1,680 students
(A new dormitory for 900 students will be constructed in 2014)
